Reference: April Quarterly Report (01/01/2011 - 03/31/2011)

To Whom It May Concern:

We are in receipt of the letter from the Commission regarding the above referenced report. Please see below for our complete response.

1. We are aware of the parameters set forth by the Commission in regard to calculating net debts for the campaign. When the contributions designated to 2010 Primary and 2010 General on the April Quarterly Report were received we had not yet met our limit for allowable funds raised towards the runoff. We are actively tracking contributions for these election periods and once we reach our net debt limit we will cease accepting contributions for both 2010 Primary and 2010 General.

2. The due date for the candidate loans has been updated and the new date is reflected on the committee's most recent filing with the Commission (2011 July Quarterly Report).

Thank you for the opportunity to respond. Please contact us if you need any additional information.

Sincerely,
Andy Harris for Congress
